UI/UX & Graphic Designer

Hire me

Hi there! My name is **Zahoor Ahmed**. I am a graphic designer and UI/UX designer with expertise in using tools such as Adobe Illustrator, Adobe Photoshop, and Figma. I specialize in web design, app design, as well as creating logos, posters, and brochures. Throughout my career, I've honed my skills to create visually stunning and user-friendly designs that leave a lasting impression. I am passionate about crafting unique and innovative designs that meet the needs of clients and users alike. My goal is to continue growing and learning in the field of design while delivering high-quality work that exceeds expectations. I am excited about the opportunity to contribute my skills and creativity to your team. Thank you for considering my application. I look forward to the possibility of working together!
